## THANK YOU

Chorus:

Thanks for all that You've created,  
Thanks for what You've given me.

Verse 1

For our eyesight,  
A friend or two,  
For what I have in the world.  
For the song which flows,  
And a forgiving heart -  
Because of all this - I exist.

Thanks for all that You've created,  
Thanks for what You've given me.

Verse 2

For a child's laughter,  
And the blue sky,  
For the earth - and a warm home.  
A corner to sit in,  
A loving woman,  
Because of all this - I exist.

Thanks for all that You've created,  
Thanks for what You've given me.

Verse 3

For a day of happiness,  
Innocence and honesty,  
For the sad day - which passed and  
disappeared.  
Two thousand cheers,  
and hands clapping.  
Because of all this - I exist.
